Limited Review Report

To

Board of Directors of M/s. Info-Drive Software Limited

I have reviewed the accompanying Balance Sheet of Info-Drive Software Limited, Chennai as of 30th June 2012 and the related Profit and Loss and Cash Flows for the three month period then ended. I have not reviewed the Balance Sheet and Profit and Loss account of branch office situated at Singapore and the same has been included in the above financials as certified by the management. Management is responsible for the preparation and presentation of this interim financial information in accordance with clause 41 of the Listing Agreement. My responsibility is to express a conclusion on the interim financial information based on my review.

I conducted my review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Based on my review conducted as above, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material aspects in accordance with the applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
